6. [] Don Smith of the Bureau of the Budget telephoned inquiring if the Agency wished to submit any designations to be included in categories IV, V and VI of the pay bill. He needed an answer by the close of business 13 May, so that the Bureau could consider its position and make it available to the Senate Post Office and Civil Service Committee. It was indicated that very likely we would not wish to submit a specific list but that this matter would be checked for a final decision and an answer furnished to BOB.

6. (Unclassified - JSW) [] talked with William Gullledge, Staff Director of the Senate Post Office and Civil Service Committee, on the pay bill. A clear impression was received that the Committee plans to amend the Executive Pay Bill so that the specific positions in categories IV, V and VI will be listed rather than leaving them to the discretion of the President. It was indicated that discussions were beginning on this with the Bureau of the Budget and the Civil Service Commission.
